Rachel's Holiday Marian Keyes boken PDF

'How did it end up like this? Twenty-seven, unemployed, mistaken for a drug addict, in a treatment centre in the back arse of nowhere with an empty Valium bottle in my knickers . . .' Meet Rachel Walsh.

She has a pair of size 8 feet and such a fondness for recreational drugs that her family has forked out the cash for a spell in Cloisters -

Dublin's answer to the Betty Ford Clinic. She's only agreed to her incarceration because she's heard that rehab is wall-to-wall jacuzzis, gymnasiums and rock stars going tepid turkey - and it's about time she had a holiday. But what Rachel doesn't count on are the toe-curling embarrassments heaped on her by family and group therapy, the dearth of sex, drugs and rock'n'roll - and missing Luke, her ex.

What kind of a new start in life is this?
